## Menu for Connecticut Wine Festival 2018

Although we do not guarantee exclusivity of a menu item for the festival – we are requiring that you provide us with the menu you will be serving at the festival so that we can be sure we have enough variety of foods available to the participants.

**ADDITIONS/SUBSTITUTIONS MUST BE SUBMITTED FOR APPROVAL BY NO LATER THAN July 1st.**

A few important notes:

- Water cannot be sold by any vendor unless purchased from the Festival. Water will be available for purchase at the merchandise tent and vendor agrees to sell the water at the designated festival price
- Ice will not be provided for concession vendors but will be available for purchase from the merchandise tent.
- We ask that as a concession vendor you are ready to begin serving food at 11:30 on both days – this will allow the exhibitors time to eat before the festival begins and will give you the opportunity for extra sales. Every attempt will be made to have the health inspector on site at 11am for inspection on Saturday.
